Management is responsible for the preparation and presentation of this interim condensed financial information in accordance with International Accounting Standard No. 34, "Interim Financial Reporting". Our responsibility is to express a conclusion on this interim condensed financial information based on our review.

Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditors of the Entity". A review of interim condensed financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial information is not prepared, in all material respects, in accordance with International Accounting Standard No. 34, "Interim Financial Reporting".

Report on other legal and regulatory matters

Furthermore, based on our review, the interim condensed financial information is in agreement with the accounting books of the Company. We further report that, to the best of our knowledge and belief, no violations of the Companies Law no. 1 of year 2016 and related Executive Regulations or the Company's memorandum and articles of association, as amended, have occurred during the six month period ended June 30, 2017 that might have had a material effect on the business of the Company or on its interim condensed financial position.
